NOMINATION PETITIONS

Additional copies of nomination petitions are available at the County Commissioners' Office. **Do not use** any old petitions you may have from previous years since they may be obsolete and not acceptable.

All statewide offices must obtain petitions from the Department of State in Harrisburg. This would include the office of Judge of the Court of Common Pleas.

The signers of the petition **must be** registered and enrolled members of the proposed candidate's political party who are qualified electors of the political district.

A candidate must complete the top section of each petition prior to circulating them for signatures. Typewrite or print the name of the candidate on the face of the petition exactly as you wish it to appear on the official ballot.

If you are running to fill an unexpired term of office in your municipality, be sure to designate whether the term is for 2, 4 or 6 years.

Candidates are **strongly urged** to get more than the required number of signatures in order to better able withstand any challenge to the petition. **IMPORTANT – Do Not Use Ditto Marks anywhere on the petition. This is grounds for rejecting the petition.**

Each signer may sign as many petitions as the number of candidates he/she can vote for at the succeeding election for the office.

Each signer must **personally** insert all the information concerning their name, residence address and date of signing. The date of signing may be expressed in words or numbers (Feb. 17, 2009 or 2/17/09).

*******CAUTION: When completing the address section of the petition, the signer must list the township they reside in and not their physical mailing/residence address. (Example: 201 Franklin Farm Lane - Guilford Township - *Correct*
201 Franklin Farm Lane - Chambersburg - *Incorrect*)**

Petitions may consist of several sheets. The Candidate's Affidavit and Waiver of Expense Account Reporting Affidavit must be executed on only one of these sheets. However, the Circulator's Affidavit must be executed on each petition/sheet.

If someone circulates a petition for a candidate, he/she must complete the **"Affidavit of Circulator"** on the back of the petition and have such notarized prior to the candidate filing the petition with the County Board of Elections. If the candidate circulates his/her own petition, then the candidate must sign the affidavit and have it notarized prior to filing the petition with the Board of Elections.

Each candidate must also complete the section entitled "Candidate's Affidavit" and have such notarized prior to filing their petition with the County Board of Elections. As stated above, in the case of multiple petitions, only **ONE** Candidate's Affidavit must be notarized.

Each candidate that **does not** intend to form a political committee or to receive contributions or make expenditures in excess of \$250.00 during a reporting period may complete the section "Waiver of Expense Account Reporting Affidavit" and have such notarized prior to filing their petition with the County Board of Elections. **WE STRONGLY ENCOURAGE ALL CANDIDATES COMPLETE THIS WAIVER** since it could possibly eliminate the need for filing various reports. If you sign the "Waiver of Expense Account Reporting Affidavit" and do not spend or receive more than \$250.00 for any of the reporting periods throughout the year, you are not required to file a Campaign Expense Statement or Campaign Expense Report. Please make note that if you sign this "Waiver of Expense" and find that you have spent or received more than \$250.00 for any of the reporting periods, you are responsible for filing a Campaign Expense Report with the County Board of Elections.

***IMPORTANT REMINDER - The first day to circulate nomination petitions is February 19 and the last day to circulate and file nomination petitions with the County Board of Elections is March 12.**

Candidates should file petitions as early as possible and at least several days before the last date fixed for filing, so that the petitions can be examined, and if corrections, additions or alterations are found necessary, there may be time to make the required changes. For this reason, it is also recommended that each candidate file his/her own nomination petition personally in order to obtain the proper forms, etc.

* Only Magisterial District Judges and School Board Director candidates may cross-file. The signature and filing fee requirements pertain to each party petition. (See next section on Cross-Filing)

CROSS-FILING

Only Magisterial District Judges and School Directors can cross-file. To do so, each candidate must circulate and file two separate petitions - one for each political party, as well as pay a filing fee for each petition, if applicable.

****IMPORTANT****: A candidate for School Director **cannot** circulate both a Democrat and Republican petition. He/she may only circulate the petition of the party he/she is registered. They must get someone of the other party (friend, relative, etc.) who is a registered voter in the candidate's political district to circulate that petition and then sign the Affidavit of Circulator on the back of the petition after they have received the required number of signatures. Magisterial District Judge candidates may personally circulate both their Democrat and Republican petitions.

FILING FEES

Please review the chart on the previous page listing those offices that require a filing fee to be paid prior to the County Board of Elections accepting their nomination petition. This may be paid by cash, or by a certified check or money order payable to the "County of Franklin". **Personal checks will not be accepted.**

Act 2004-97 amends Section 913 of the Election Code to eliminate filing fees for any public office in a borough, town or township. Under the previous law, only certain party offices, public offices in a township of the second class and judges or inspectors of election were included in this exemption.

Filing fees shall not be refunded in the event of the withdrawal of any candidate named in any petition, or for any other cause whatsoever.

RUNNING FOR MULTIPLE OFFICES

Candidates are permitted to run for more than one office during an election cycle. These individuals would be required to circulate separate petitions for the various offices plus pay the applicable filing fees. For example, a candidate could choose to run for both a 2 Year and a 6 Year Township Supervisor position. If the candidate would be the top vote getter in both offices, they would be required to pick one which would create a vacancy in the second office which would need to be filled by appointment.

NOTARIZATION OF ELECTION FORMS

All nomination petitions, as well as Campaign Expense Statements and Campaign Expense Reports, **must be notarized** prior to filing them with the County Board of Elections. This may be done by a notary public of your choice, or if you so desire, by a deputy in either the Clerk of Courts (2nd Floor), or Prothonotary's Office (1st Floor) in the Courthouse Annex, located at 157 Lincoln Way East, Chambersburg.

WRITE-IN CAMPAIGN Cumulation of Write-in Names

Since most candidates cannot cross-file, the only way to get the nomination of both parties is to run a write-in campaign. Voters can write the candidate's name in the space provided on the write-in line. **NOTE:** In order for the write-in vote to count, the oval to the left of the write-in line must be blackened in.

VERY IMPORTANT: With the purchase of federally mandated precinct counters for each of our polling places, candidates are **NO LONGER ABLE TO USE PREPRINTED STICKERS** for their write-in campaigns. Our election equipment vendor has warned us that stickers could cause problems with the read head in each scanner, thus causing jams and equipment malfunctions on election day. We are suggesting that you hand out printed cards/flyers indicating the correct spelling of your name along with instructions on how to cast a write-in vote properly. To cut down on misspelled names or different versions of your name, we are recommending that you simplify the name you wish for a voter to write in. (For example, if you are registered under the name Robert J. Doe, you may want to simplify your name and have voters write in Bob Doe.)

For a candidate to win on a write-in campaign in the spring primary, they must have the highest number of write-in votes over and above the required number of signatures needed on a nomination petition for that office.

EXAMPLE: For a candidate running for Township Supervisor to win on a write-in campaign, they must have the highest number of write-in votes over and above 10 votes, which is the number of required signatures needed on a nomination petition for a Township Supervisor position.

If a candidate does not have a sufficient number of write-in votes under one spelling of their name after the write-in tallies have been completed by the County Election Board, the candidate may petition the Election Board to cumulate the various spellings of their name. This petition must be made by the candidate within a five-day period immediately following the certification of the election. If you need to check on your write-in totals, or to request a copy of a sample petition, please contact the Franklin County Election Board at 261-3810.

There is no cost to cumulate your write-in names, but a petition must be completed and filed, notification must be made to other candidates running for the same office and then a hearing will be held.

For example, Bill Jones needs 10 write-ins for Township Supervisor. On election day he receives five (5) write-ins under Bill Jones, four (4) under William Jones and two (2) under Bill S. Jones. To qualify as a write-in winner, Mr. Jones would need to petition to have all eleven (11) votes cumulated together under the spelling Bill Jones since they are just various versions of his name.

CAMPAIGN EXPENSE REPORTING

All candidates who do not sign the "Waiver of Expense Reporting Affidavit" on the back of their nomination petition must complete and file Campaign Expense Statements or Reports with the County Board of Elections for the reporting periods listed below.

Also, those that sign the "Waiver" and spend or receive more than \$250.00 for any of the reporting periods must also complete and file Campaign Expense Statements/Reports for each reporting period:

<u>Type of Report</u>	<u>Complete as of</u>	<u>Filing Deadline</u>
2nd Friday Pre-Primary	May 6	May 10
30 Day Post-Primary	June 10	June 20
2nd Friday Pre-Election	October 21	October 25
30 Day Post-Election	November 25	December 5
2013 Annual Report	December 31	January 31, 2014

A candidate or political committee may file a termination report when there is a zero balance and no unpaid debts or obligations. In addition, candidates cannot terminate until after the election in which they are involved.

All candidates and political committees who have not filed termination reports are required to file Annual Reports. Annual Reports must reflect financial activity for the reporting period up to and including December 31. The deadline for filing Annual Reports is the following January 31st.

A **Campaign Expense Statement** should be completed when receipts or disbursements of a reporting period are \$250.00 or less. A **Campaign Expense Report** should be completed when receipts or disbursements of a reporting period are over \$250.00.

On both reports, the candidate is not required to complete the Filer Identification Number or the District No.

An individual who seeks public office is not required to operate with the assistance of a committee. If a candidate does form a committee, a candidate must file a Campaign Expense Report or Campaign Expense Statement which is separate from and in addition to his/her campaign committee. If the candidate has neither received nor expended any money, a Campaign Expense Statement must be filed by the required deadline.

Please check the County's website for a copy of the state's "Campaign Finance Frequently Asked Questions." This may assist you in completing your forms.

IMPORTANT - An "Authorization For a Political Committee to Receive Funds on Behalf of a Candidate" and a "Political Committee Registration Statement" form must be filed with the County Board of Elections prior to the committee receiving money on behalf of the candidate. These forms may be obtained at the County Commissioners' Office or at www.dos.state.pa.us.

Additional copies of Campaign Expense Statements and Reports as well as a Manual for Candidates and Political Committees on Campaign Expense Reporting Laws are available at the Commissioners' Office. Also, copies of the Campaign Expense Statement and Report may be obtained electronically by contacting the Department of State at www.dos.state.pa.us under Campaign Finance/Forms Online. You may print them out and complete them but they may not be submitted electronically to the county.

Be advised that Campaign Expense Statements and Reports must be notarized prior to filing them with the County Board of Elections.

24 Hr. Reports for Late Contributions: Any current candidate or political committee which receives any contribution or pledge of \$500 or more must file a late contribution report with the County Board of Elections within 24 hours of receipt of the contribution. These reports may be either faxed or emailed. This information will also need to be included on the next post-election expense report filing.

PENALTY FOR LATE FILING: A penalty of \$20.00 per day will be assessed for the first six (6) days that the report is overdue. A penalty of \$10.00 per day will be assessed after the first six (6) days and can reach a maximum of \$250.00.

DISCLAIMERS

If a candidate runs an advertisement on TV and/or radio or has billboards, printed signs, etc., the candidate is required to disclose who paid for the advertisement (i.e. Paid for by Candidate, etc.). The disclaimer does not apply to bumper stickers, pin, buttons, pens, and similar small items upon which the statement cannot be conveniently printed.

STATEMENT OF FINANCIAL INTERESTS

Please find enclosed in your election packet a Statement of Financial Interests form. This statement is used to disclose any potential conflict of interest and is administered by the State Ethics Commission. **All candidates for county and local public office must file the form (WHITE COPY) with the political subdivision in which they are seeking office (i.e. township office, borough hall, school administration office, etc.) on or before the last day for filing a petition to appear on the ballot for election. A copy of the form (YELLOW COPY) must also be appended to the petition to appear on the ballot. (Excluded are Judges of Election, Inspector of Elections and local party committeepersons).**

No petition to appear on the ballot shall be accepted unless a copy of the Statement of Financial Interests form has been appended. Failure to file the form in accordance with the provisions of Act 9 shall, in addition to other penalties provided, be a fatal defect to a petition to appear on the ballot. (For example, if you attach a copy of the form to your petition but forget to file one with the local municipality office, you could be thrown off the ballot.)

For information on correctly answering each individual question, please refer to the back of the cover page for specific details. This form is considered DEFICIENT if ALL blocks are not completed or the signature or date is missing. Please list your current employer under #10 – Direct or Indirect Sources of Income.

Any questions may be directed to the State Ethics Commission at (717) 783-1610 or Toll Free at 1-800-932-0936.

SAMPLE BALLOTS

The Thursday prior to each primary or election, sample ballots are available in the Franklin County Commissioners' Office, 14 North Main Street, Chambersburg.

A list of polling places as well as other information pertaining to the election will also appear in both the Record Herald and Public Opinion newspaper the Thursday prior to each primary or election in the classified section. **Sample ballots are also available on the County's website at www.co.franklin.pa.us.**

WATCHERS

Each candidate for nomination or election at any election shall be entitled to appoint two watchers in each election district in which such candidate is voted for.

As a result of Act 2004-97, there are new provisions that will affect poll watchers:

- * Eliminates the restriction that watchers may serve in only one election district. The Election Code continues to require that a watcher be appointed to serve in a specific election district of the county in which the watcher resides, but the Act amends the Code to allow a watcher to work during election day in the polling place of any other election district in the county when he/she is not watching in the specific election district for which he/she was appointed to serve. (**Example:** A watcher is appointed to Hamilton Township - First District polling place but the watcher can also go to any of the other seventy-four (74) polling places if they so desire).

- * Clarifies that watchers have the right to be present in the polling place from the time that the election officers meet before the opening of the polls until the counting of votes is completed and the district register and voting checklist have been locked and sealed.

- * Requires the Judge of Elections, during those intervals when voters are not in the polling place waiting to vote, to permit watchers, upon request, to inspect the poll book and either of the two numbered list of voters. The Act requires the Judge of Election or his/her designee to supervise the inspection of such records. The Act prohibits the watcher from marking or altering the records.

Any candidate desiring to appoint watchers must complete an application for each watcher. These applications are available in the Commissioners' Office upon request. Each watcher shall than be provided with a certificate from the County Board of Elections, stating his/her name and the name of the candidate he represents.

CERTIFICATES OF ELECTION

After the Municipal Election has been certified, candidates elected to office will receive a typed Certificate of Election for the office they had been elected to. They will need to take this certificate to the municipal office (i.e. borough office, township office or school district) and present it to them prior to being sworn in to office.

FREQUENTLY ASKED QUESTIONS

Q: How can I find out if I am registered to vote?

A: Call the Voter Registration Office at 717-261-3886.

Q: When are election days?

A: Primary elections are always held on the third Tuesday in the month of May, except during a presidential year, in which case the primary is normally held on the fourth Tuesday in the month of April. General or Municipal Elections are scheduled for the Tuesday following the first Monday in November.

Q: How do I find out information about the candidates?

A: Listen or read what the news media has to report. Go to candidate debates or talk to the candidates personally. Another good source of information may be the party headquarters.

Q: Why can I not vote in the primary if I am not registered as a Republican or Democrat?

A: Pennsylvania has what is called a closed Primary, which only allows Republicans and Democrats to vote for candidates. If there is a referendum on the ballot, all registered voters may vote for the referendum regardless of party affiliation.

Q: I moved after registration closed. Can I still vote?

A: You may go to your old polling place for one more election where your registration may still be active. You should complete a change of address form while you are at the polling place so that your registration can be changed for future elections.

Q: I have not voted in a while. Am I still registered?

A: Probably. It is no longer legal to remove any voter from the rolls merely for not voting, no matter how long that may be, as long as they maintain their voter record with a valid address. If a voter is sent a notice from the Voter Registration Office and it is returned as "undeliverable", the voter is placed on "Inactive" status. When a voter is on "Inactive" status through two federal elections and has not voted, he may be purged.

Q: If I register to vote with PennDOT, how do I know where to vote?

A: If you registered with Motor Voter and have not received an I.D. card from the Franklin County Voter Registration Office with your polling place printed on it, you should call to find out if your registration form has been received.

Q: Why should I vote? It really doesn't mean anything.

A: Your vote is VERY IMPORTANT. There have been candidates in Franklin County that have won the election by one or two votes.

Q: When are the polls open?

A: From 7:00 a.m. continuously to 8:00 p.m.

Q: How do I run for political office?

A: You must call the Franklin County Election Board in January of each year to see if the office you are interested in is up for election. Judicial, County, Township, Borough and School District offices are always in odd numbered years. Federal, State and party offices are in even numbered years.

Q: How far from the polling place should campaign literature, signs and candidates be?

A: Campaigning and/or campaign signs are not allowed within 10 feet from any entrance to any voting location on election day.

Q: How do I know what will be on my ballot?

A: The Thursday prior to each primary or election, sample ballots are available in the Franklin County Commissioners' Office, 14 North Main Street, Chambersburg. **Sample ballots are also available on the County's website at www.co.franklin.pa.us.**

Q: How do I vote in Franklin County?

A: All voters will receive an official paper ballot. After marking their ballot with an ink pen in the voting booth, they will place their ballot into a Precinct Counter to be counted.

Q: How do I vote if I am visually impaired?

A: A visually impaired voter has several options for voting: 1) They could receive an absentee ballot; 2) They could vote a paper ballot at the polling place with assistance; or 3) They could vote independently on the AutoMARK ADA unit. Be advised that a visually impaired voter using the AutoMARK ADA unit should be prepared to spend approximately 20 minutes voting their ballot since all instructions, candidates and summary are read to them with the use of headsets.

Q: What do I need to take with me to the polling place?

A: You should take along an approved form of photo ID, such as a current driver's license.

Q: May I receive assistance in voting?

A: No person is allowed to receive assistance in voting unless his/her registration record indicates the need for assistance or the voter completes and signs a declaration of the need for assistance at the polling place prior to entering the voting booth. A voter may select anyone to assist them EXCEPT: 1) The Judge of Elections; 2) The voter's employer or agent of that employer; or 3) An officer or agent of the voter's union.

Q: Am I allowed to “split my ticket” in a November election?

A: On the November ballot, there is a straight party box where you may choose to vote a straight party ballot for the party of your choice by darkening the oval to the left of the party of your choice. Upon marking this party oval, all candidates for that particular party will receive a vote. If you wish to “Split your ticket”, you may split your ballot by darkening the oval to the left of the party of your choice under the Straight Party box and then voting for individual candidates in any other party by blackening the oval to the left of their name. The precinct counter is programmed to override the straight party vote if an individual candidate of any other party is marked.

Q: Is my polling place handicapped accessible?

A: The only polling place considered inaccessible in Franklin County is the Orrstown Town Hall in Orrstown Borough.

Q: How do I vote by absentee ballot?

A: In order to vote by absentee ballot, you must be registered to vote and complete and submit an “Absentee Ballot Application” to the Franklin County Voter Registration Office. After we receive a completed and signed “absentee ballot application”, a ballot will be mailed to you at the address you specify. (Note: A new absentee ballot application must be completed for each election.)
